Subject: Mantel looks good!

Hi Tammy - I wanted to tell you and David for sure that the mantel looks really good. When I first saw it, I had to think about it 'cause it looks different from what I was expecting, but I thought it looked great. I showed the photos to [REDACTED], and he was very impressed, so we're all set. He was amazed at how well it all goes together, and what a great job Mario did. I can't wait 'til it's installed!

I know that the mantel project has been a lot of trouble for you guys, and we really really appreciate it SO much that you kept working at it 'til it was done. We've been really happy with Woodenbridge and hope we can send a lot of business your way in the future.

Have a great weekend!
